

Despite a muddy track and a fine rain that fell most of the afternoon, four meet records were shattered and two were tied yesterday in the Big Eight Conference track and field meet at Bailey Field.

City College ran off with meet honors by scoring 102 points. Santa Rosa surprised by easily nabbing second place with $94\frac{1}{2}$ ahead of both Modesto and Sacramento, the teams that defeated the Cubs earlier in the season in dual competition. Modesto had 83 and Sacramento wound up with $72\frac{1}{2}$.

Other team point totals were Stockton 34, West Contra Costa, 24, Oakland 15, San Mateo 8.

League meet marks were broken in the one mile relay, shotput, low hurdles and discus. The high jump and high hurdle marks were tied.

COACH DICK Blewett's Santa Rosa Junior College relay team ran the fastest mile of their career—six seconds under their previous season's best—to win the event in the good time of 3:21, a new record.

The mark was the third best time this year in the state.

The former record of 3:24 was established by Modesto Junior College in 1951. ●

Modesto's Proverb Jacobs tossed the shot 50 feet and three inches for a meet record; Clint Redus of San Francisco bested the 220-yard low hurdles standard in the opening heat of the morning trials with a time :24.4. Lary Robbins of Santa Rosa held the old mark of :24.5.

Redus won the finals in the afternoon in :24.5.

JACK EAGAN of San Francisco cracked the other meet record with a heave of 154 feet two and one-quarter inches to best the old mark of 147 feet and three-quarters inches set by Modesto's Mallenoff in 1954.

Harold Theus of Oakland tied the meet record in the high jump with a leap of six feet and two and seven-eighths inches, and Redus equaled the high hurdle mark in :15.3.

Redus, incidentally, was the high individual scorer with 30 points. He nabbed three firsts—in both hurdle races and the 100-yard dash.

Although leading all the way in the mile, the Santa Rosa runners were pressed in every lap.

Bob Collins led off for the Cubs and handed off to second reliever Dick Amsbaugh two yards in the lead. Amsbaugh held on and gave third relief man John Dado the same lead. The chunky runner handed off to Hosea Harper, still about two to three yards ahead of the City College third-lap man. Going around the first turn it looked like San Francisco might close the gap, but Harper, running the fastest 440 of the day, spurred the final 200 yards to give Santa Rosa the last win of the day. Harper's anchor lap time was :49.5. Collins ran :50; Amsbaugh, :51.5, and Dado, :50.

Harold Kuha picked up scoring honors for the Bear Cubs by winning both the mile and two-mile runs for 20 points. He ran a 4:27.3 mile and a good 9:59.4 two mile.

Kuha's two victories and Harper's :49.6 win in the 440 were the only first places for Santa Rosa. The Cubs snared three places in the 440 for 20 of their points.

Modesto's fine pole vaulter, Art Pedersen, bested the Bear Cubs' Bob Brodt for the second time this year. Brodt, who has lost only to Pedersen, was unable to clear 13 feet six inches, giving the Modestan the conference meet win at that height.
