Five new Southern California interscholastic records for the track and field were scattered carelessly about Occidental's athletic exercises yesterday, and two were equaled. The violent dispute for the honor of being 1918 champion resulted in a deadlock. Oxnard and Los Angeles high schools both wound up the day with eighteen points, Manual trailing into third with fifteen, and Fullerton, fourth, with thirteen.

Oxnard, none of the best, yesterday demonstrated that it values something besides vegetables. Its two-man team topped eighteen points, anchored two records and nearly walked away with the honor and of the crown. Had for a city by Arroyo, who stepped half an inch over the broad jumping board on one of his trials, the winning leap had it been safe, the competition would have celebrated a championship last night.

SPRINGING THE NOOSE.

Doubts the fact they failed to win the meet the Oxnard team of two got the big prize in the meet. "Bud" Hunter, a 17-year-old person built on the general lines of a rock of Gibraltar, hoisted the shot put mark of Heubaker of Pasadena, 40 ft. 1 1/2 in. made in 1915—with a heave of 40 ft. 2 1/2 in. Stepping over to the discus circle he made the old 117 ft. 7 1/2 in. record with a flick of 117 ft. 11 in. Arroyo took first in the high jump and second in the broad.

Goodman of Fullerton, displaying beautiful form in the pole vault, bettered the record a notch when he registered 11 ft. 9 1/2 in. Hill of Santa Paula made 11 ft. 9 1/2 in. in 1914.

FINISH HIMSELF.

Another new figure was Thursday Clarke's magnificent 18 1/2 in. in the 440-yard dash. The Los Angeles club got round himself yesterday, strayed into the lead with the help of the gun and finished five yards ahead of Spangler of Santa Ana.

Marshall's 1918 relay team clipped three-fifths of a second off the mark established by the Arroyo runners in 1914. The new notation is 1m. 12s.
