BY HEAVEN DEER

Coach Ashel Cunningham's Riverside High School team won the Southern California interscholastic track-and-field meet at the Coliseum yesterday afternoon in a struggle that was featured by many brilliant performances. The boys from the home of the Mission Inn gathered a grand total of 16½ markers and had the meet salted away before the pulse-quickenng relay was run off. Riverside's victory was their first in more than ten years.

San Diego, by winning the relay, finished in second place with 15 7-8 points. Manual Arts annexed 14 1-4 digits to take third place, Hollywood following in fourth position with a total of 13 1-2. Nine points gave Inglewood fifth place.

Mr. Jack Williams, a rising young man from Inglewood, turned in the best exhibition of the afternoon when he cleared 13ft. 1 5-8in. in the pole vault. This mark is likely to go down in the books as a new world's high-school record. Harry Smith of San Diego held the old mark of 12ft. 11 7-8in., making it in 1923. Last spring in the Olympic tryouts, Lee Barnes, still a student at Hollywood, cleared 13ft. 2 1-2in. However, it is thought that Williams's feat will be recognized as the new world's record for prep athletes.

SMASH OLD MARK

The San Diego relay team smashed Hollywood's world mark of 1m. 31s. in the four-man half-mile relay, doing the distance in 1m. 30.6s. Coach G. A. Oliver's men all turned in remarkable performances, the athletes averaging approximately 22.2s. for their respective spurts. "Doc" Kemp, off to a five-yard lead against Junior Hagford of Manual on the final lap, managed to beat the Tealer star to the tape by something less than the width of a whisket.

Chasley Ulrich, the bespectacled El Monte phenom, after taking second in the half-mile, took the track in the mile and proceeded to trim the paste off Carnahan, last year's victor and yesterday's favorite. Ulrich snorted around the oval in the sensational time of 4m. 28.6s., thus lopping off a flock of seconds from Carnahan's former Southern California mark of 4m. 34.3s. Carnahan had taken the lead at the end of the first lap, running at a terrific pace. Ulrich held well back until the last lap when he forged into second place and then passed the Riverside star on the final curve, finishing down the track to win easily. Carnahan having spent too much of his juice in those speedy early laps.

The opening event of the day provided a bunch of thrills. It was the half-mile run and Ed Gleece, the stout-chested athlete from Covina, breezed through to
