

McCullough Beats Caminiti Twice; Muir Wins Crown

BY JEFF FRUGH
Times Staff Writer

Fast-flying Earl McCullough of Long Beach Poly got caught in a jet stream over the hurdles Friday night and Harold Busby gave Muir's Mustangs an unexpected push to the CIF Southern Section prep track championship.

McCullough whistled over the 120-yd. highs in 13.7 to win his heralded showdown with Steve Caminiti of Crenshaw and Roger Moody of Corona, then came back to defeat Caminiti over the 180-yd. lows in a snazzy 18.1.

11,329 Fans

A roaring crowd of 11,329 fans at Cerritos College—a record for a CIF meet—watched Muir repeat as champion with 24 points to Poly's 22.

But for all of McCullough's excellence in the hurdles—he tied the existing U.S. mark in the highs and Caminiti's pending national record in the lows—Poly was unable to match the Mustangs where it counted—in the point standings.

Busby, Muir's junior sprinter who was picked no better than third in the dashes, won them both, taking the 100 in 9.7 and the 200 in 21.4 around a curve in Lane 7.

In addition, coach Walter Ott's team realized a brisk 1:28.7 half-mile relay victory in which Busby won his anchor leg by 10 yd. over a fast-closing McCullough.

Barefoot Miller Wins

The Mustangs' lead was precarious—19 to 18—going into the relay, largely because they didn't realize any anticipated points in the mile.

Alex Whittle, Muir's sandy-haired miler, was dead last in the CIF Southern Section's fastest mile of the season. The runner who made it that was Rick Romero of Burbank, who ran without shoes and with an abundance of courage. Romero put on a sensational kick in the last 200 yd. to wheel past favored Hill Daughtry of Glendale. Whittle and everyone else to win in 4:14.

It was obvious at the outset of the hurdles race that McCullough was destined for the finest night of his career.

With the crowd cheering them on, McCullough, Moody and Caminiti matched strides over the first high hurdles before the muscular Poly senior took command. McCullough opened up a wide lead over the fourth hurdle and never lost it, although he did knock over two barriers in the last 30 yds.

Carbon Copy in Lows

In the lows, McCullough ran the same type of race to win by 4 yd. over Caminiti, who was timed in 18.5.

Half-mile Devone Smith of Compton set the stage for an assault on Dennis Carr's national record of 1:50.8 when he raced past Pasadena's Larry Arnett down the stretch to win in 1:51.1, breaking Carr's CIF mark of 1:52. Arnett dipped under the record, too, with a 1:51.6 for second place.

Smith will get his shot at the record in the Coliseum next Friday and Saturday when he, along with the first four finishers in each event Friday night, compete in the California state championships.

Elsewhere Friday night, Paul Wilson of Warren won the pole vault as expected, soaring 15-6 before missing three attempts at a measured 16 feet 1 1/16 inches.

VARSITY

100-1. Busby (Muir) 9.7, 2. Miller (Crenshaw) 10.0, 3. Brown (Long Beach) 10.2, 4. Peck (Crenshaw) 10.4, 5. Smith (Crenshaw) 10.6, 6. Jones (Crenshaw) 10.8, 7. White (Crenshaw) 11.0, 8.
