

TYACK STARS IN JAYSEE MEET ON VISALIA FIELD

Bakersfield Wins First Place by Wide Margin Over Competitors

JIM TYACK ran the 220-yard dash in 21 3-5 seconds, setting a state record for junior college athletes in this event, in the Central California Junior College Association's track and field meet at Visalia Saturday. Besides his sensational victory in the 220, the Bakersfield Junior College track star placed first in both 100-yard dash and the shot put to contribute 15 points toward his team's winning total of 60½ points.

Scores of the five competing teams were:

Bakersfield J. C.....	60½
Visalia J. C.....	40½
Taft J. C.....	39
Reedley J. C.....	15
Porterville J. C.....	4

Once under way, Tyack ran a fast century, but a bad start made his time for the race slower than previously this spring. He was clocked at 10.1 seconds.

Crawford Winner

Bruce Crawford, Coach Harder's distance "find," loafed through the two-mile event to hit the tape 150 yards ahead of his nearest rival. He came within a few feet of winning the mile an hour later, failure to start his sprint soon enough costing him first place in this event. Crawford was overhauling Headstrom of Visalia rapidly down the home stretch, but had not allowed quite enough distance for his final spurt.
