1997 DRAKE RELAYS DECATHLON QUOTES
April 24, 1997

KIP JANVRIN (Nike/Visa) 8,048 points

Decathlon winner

On the Drake Relays: "I'm from about 40 miles from here (Panora), and it is special to run here in front of family and friends. I also went to school at Simpson College so it is good to run among friends. This is always my first race of the year, and this year I did not prepare at all, but I am very happy with the 8,000 points."

Competing against Darwin (VandeHoef): "He and I coach each other and help each other out."

On my training: "Contrary to what the papers have said I am in good running shape, but not in good decathlon shape."

NOTE: Janvrin won his third straight decathlon title and captured his eighth overall, allowing him to become the all-time leading Drake Relays men's victory leader at eight.
