

SANTA ANA SNARES E.C. MEET EASILY; BOB ROSE TOPS V.C.

The powerful Santa Ana Dons, sparked by Brayton Norton and Harry Quackenbush, placed in every event to run off with the Eastern conference track crown with 84 1/3 points. Two new records were set in yesterday's meet at Mt. San Antonio.

Norton won the 220 and 440, took third in the javelin, and ran anchor on the record-breaking mile relay team. Quackenbush took firsts in the 880 and the mile.

The relay mark, set in 1947 by Santa Ana, tumbled when the Don quartet ran the distance in a hot 3:24.7, clipping .8 seconds off the old mark. Bill Weischedel from Riverside set the other new mark when he broad-jumped 23 feet, 10 1/2 inches. This erased the old mark of 23-10, set in 1933 by Doyle Gilbert of Santa Ana.

Kelly Hylton, Santa Ana star, won the javelin throw by tossing the spear 189 feet, 4 inches—just one inch short of the record set by Jay Moody of Fullerton in 1939.

Bob Rose led San Bernardino by garnering two second places. He ran second to Frank Buxton in a wind-aided 9.6 100, and was second to Norton in the 220. The 9.6 tied the existing conference record, but a brisk wind will prevent the mark from being recognized.

Bob Forbes and Shirley Davison took second and third for Valley college in the broad jump. Cy Gallick got fifth in the 440, Dan Northrup grabbed a fifth in the javelin, and the relay team came

in fourth, to account for San Bernardino's fourth-place total of 19.
