Shy Scores 48, but Santa Ana Retains Title

Mt. San Antonio's Don Shy won three events, set two meet records, placed second in two other events, tied for sixth in another and ran on a third place relay team to dominate Friday's Eastern Conference finals at Citrus.

Santa Ana's defending champions, winning every running race, retained their title with 158 points to 105½ for Mt. Sac, but Shy alone scored 48—more than four conference schools totaled.

Shy was deprived of a 13.6 national JC record in the high hurdles because of a 5.1 m.p.h. wind, barely over the allowable 4.8. He set a conference record of 14.0 in the prelims and a long jump mark of 24 feet 7 inches to upset San Bernardino's record holder, Robert Howard.

Pierce Repeats

Shy also won the 330 hurdles in 38.3 with his teammate, Geoff Vanderstock, sidelined, and placed second in the triple jump and javelin and sixth in the high jump.

Pierce's overwhelming sprint and distance strength enabled the Brahmas to retain their Western State Conference title with 170 points to 122 for dual meet champion Pasadena.
