

Misplaced Wind Gauge Costs Craig Record

BY JEFF PRUGH

Times Staff Writer

SANTA BARBARA—It was a day for meet records, as expected, to tumble by the half-dozens.

But the most impressive record—breaking achievement of them all here Saturday in the 26th annual Easter Relays probably will never be seen in a record book.

The crowd of 6,500 spectators who assembled in La Playa Stadium on a sparkling, breezy afternoon was audibly disappointed when it was announced that the misplacement of a wind gauge had just cost Charlie Craig the American intercollegiate triple jump record.

Considerably more disappointed, of course, was Craig, whose performance, at its face value, shouldn't have given him reason to be disappointed.

Uelses Again

The bespectacled Fresno State jumper covered 52 ft. 1 1/2 in., which was long enough to exceed Luther Hayes' 3-year-old intercollegiate mark of 51.94. But Craig's effort was nullified by confusion, when it was discovered that someone had misplaced the wind meter.

While carelessness prevented Craig from gaining official recognition for his jump the mark will be submitted, anyway. There was certainly no one evident to hinder pole vaulter John Uelses and high jumper Ed Caruthers.

Uelses, returning to the scene of the historic 16-ft. vault he recorded here two years ago, outlasted Mel Hein of the Striders and Buzz Manning of Kansas in clearing 16-14—a fraction higher than his meet record.

Personal Triumph

For Caruthers, a spindly Santa Ana College freshman, was a personal triumph, as well. Caruthers climbed 6-10 1/2 in the high jump for his lifetime peak effort (his previous best was 6-9) and erased Ernie Shelton's meet standard of 6-9 3/4 before missing three tries at a measured 6-11 3/4.

The AAU champion Striders, as forecast, triumphed in an open division led with such high-powered opposition as the Camp Pendleton Marines, the L.A. Track Club, the Santa Clara Youth

Village and the Pasadena Athletic Assn.

Moreover, the Striders figured prominently in a pair of relay events—one covering 880 yd. for a meet record—while the Camp Pendleton Marines, powered by George Metzgar's 46.9 leg, won the open mile relay.

In shattering the meet half-mile record of 1:25.7, the Striders clocked a bristling 1:23.7, largely on the strength of Adolph Plummer's firepower on the anchor leg.

Zips Into Lead

When he took the baton from Willie Williams, Plummer—the world 440-yd. dash record-holder—trailed Fresno State's Darell Newman by 5 yds., but the former New Mexico sprinter whizzed into the front and won handily, clocking 20.4 around the bend.

The Striders' won the distance medley in 10:04.4 when Otis Davis, in his seasonal outdoor debut, led off with a 48.6 quarter-mile and Julio Marin wrapped it up with a 4:12.8 mile.
