

Largest Crowd in History Sees Meet

By **BILL CARAH**

Two Far Western Conference records fell and two were tied yesterday as Fresno State College paraded its picked track team to its fifth straight conference championship before a crowd of 1,200.

Team results were:

Fresno State	77½
California Aggies	37½
Chico State	37
Nevada	20

The crowd, heavily salted with high school students here for Pioneer Day, was one of the largest ever to witness a FWC meet.

GUBSER SETS RECORD—

Rev Gubser, star Fresno hurdler, swept through the 220 yard low hurdles to nose out Ben Reams of Chico in :23.5, breaking the Far Western Conference record, the Chico track record and to run the second fastest flight on the Pacific Coast this season. The only other athlete to better this mark was Jack Weiershauser of Stanford, who ran :23.2 in the big meet.

Emery Graunke and Les Powers of Nevada furnished major upsets when Graunke tied the FWC record of :21.3 in the 220 yard dash and Powers tied the 100 yard record of :09.8.

144.78 FEET IN DISCUS—

Pete Sale, giant Aggie discus tosser, broke another conference record with a mighty heave of 144.78 feet. The throw was five feet better than the old mark.

Charlie Sullivan, Wildcat co-captain, took Chico's sole first place with a leap of 23 feet, 5⅝ inches in the broad jump. This mark betters the track and Chico State records, but is still one foot away from the conference record of 24 feet, 7 inches.

Cornelius Warmerdam cracked another track record with a vault

of 13 feet, $1\frac{7}{8}$ inches. He failed in three tries at 13 feet, 9 inches, which would have been a new conference record.

THROOP WINS TWICE—

Ralph Throop of the Aggies was the only double winner, breaking track records in both the mile and two mile.

In all, nine track and one Chico State mark went by the boards.
