Merritt Trackmen Win GGC Crown

By TOM BOWIE

Merritt College rolled up the second highest point total in the history of the meet, 140¼, to win the Golden Gate Conference track and field championships yesterday at Chabot College.

The Thunderbirds of coach Roy Caldwell failed in their bid to surpass the all time scoring record of 166 points set by College of San Mateo in 1964 but won the meet easier than expected.

City College of San Francisco had 104¾ points in taking and that total would have won most of the league meets in the past.

Pacing the T-Birds to their team victory were a pair of double winners, Warren Edmonson in the sprints and Eric Barfield in the hurdle races.

Edmonson set a new conference standard in the 100-yard dash when he hit the tape in 9.4 to erase his own record of 9.5 set in the trials Wednesday. He was pushed by teammate Norbert Payton who clocked 9.5 for second.

Barfield set a new conference standard of 55.7 in taking the 440 hurdles.

Merritt's Lamont Jackson led all the way to win the 440 in a lifetime best of 47.7, but Glenn was able to overhaul Mike Miller of San Mateo in the stretch run for second place as both runners clocked 48.2.
