

Gary Donnell Leads Sierra To GVC Track Championship

Sierra College's Gary Donnell practically made it a one-man show as he set two meet records as the host Wolverines Saturday romped to win the Golden Valley Conference track and field championships.

Donnell cleared the bar in the high jump at 6'4½" to set a new standard and then traveled the triple jump in 45'7" for another mark.

In between Donnell finished

second in the broad jump behind teammate John Garcia who leaped 22'11½".

The third meet mark was also posted by a Wolverine when Charles Gieck erased former Sierra athlete Bill Latone's pole vault mark of 14' with a vault of 14'7½".

Teammate Bob McCary also rode the pole to 14'2" to finish second, also higher than the previous record.

Paul Robinson and Ken Waters also picked off individual firsts for Sierra as Robinson won the 440 in 49.9 and Waters the 100 in 10.2.
