

HOOVER HIGH SCHOOL TRACK

JACK DAVIS

FORREST BEATY

1964

DEDICATION

This first annual Track Booklet of Hoover High School is dedicated to Victor E. Francy, Hoover Track Coach from 1930 to 1955. It was Coach Francy who established the tradition of excellence for Hoover High School in the sport of Track and Field. Under Vic Francy's tutelage Hoover won over 500 dual meets in Varsity, B, and C divisions. Such a record has acclaimed Coach Francy as the greatest of all high school track coaches. In 1949 Hoover won the C.I.F. championship in all three divisions; a feat never equaled by any other coach or school. It is hoped that this booklet will serve as an inspiration to the members of the 1964 Hoover Track Team to maintain the rich tradition of track and field established under Victor E. Francy.

ACKNOWLEDGEMENT

In order to assemble this booklet of Hoover High School Track and Field, a great deal of research and many hours of hard work were shared with me by Gary Wright. It is no easy task to review hundreds of newspaper articles and reports from 1930 until the present in order to present the statistics that follow. Without Gary's valuable assistance, this booklet would not have been possible. Both Gary and I hope that the information here will prove to be a motivating factor in the continuing heritage of Hoover Track Teams. If just one Hoover Track Athlete is stimulated to a greater performance on the track or in the field from the material presented here, we will feel the effort was well rewarded. I would like to feel that through your efforts in behalf of the track team this year, you as a member of the team will receive training which will benefit you later in life. Athletics teach us to live a clean life, to work hard, and to do our best to win according to the rules of fairplay and honest competition. These same rules can be applied to any endeavor. If you learn this, all the hours of hard work by you as athletes, by the managers, and by the coaches will be well worthwhile.
