

Special to the Capital.

Emporia, Kas., May 18.—In the third annual Kansas inter college track and field meet here this afternoon the Kansas State Agricultural College won first place accumulating 42 points; Baker University carried off second honors, with 38 points; the Normal with 37 points took third place; College of Emporia annexed 21, Fairmount College 15; Cooper College 11 and Washburn 2. St. Marys the other member of the association could not be here today because of the bad roads. It would have had to drive 17 miles to make train connections.

E. C. Quigley, of St. Marys clerk of the course pulled the meet off more satisfactorily than any previous event. Everything went off without a hitch and records were broken in three events. Senior of Baker broke the state record of 36 feet eight inches for the sixteen pound shot put by three feet. Seng of the Agricultural college threw the sixteen pound hammer 123 feet one inch, breaking state record of 108 feet. Senior of Baker threw the discus 109 feet 1 inch, breaking the state record of 104 feet. On account of a heavy rain Sunday the track was not as fast as it would have otherwise been. In all between 90 and 100 athletes competed in the meet today. Much competition prevailed in each event and officials are unanimous in stating that no smoother track meet was ever held in the state of Kansas. It is probable that the next annual track meet will be held in Emporia on account of this place being centrally located, having a good athletic field and good hotel accommodations. The first, second, third and fourth places respectively in the different events were won as follows.
