

The Kansas State Normal won the fifth annual track and field meet of the State Intercollegiate Athletic Association held on Normal Field, yesterday afternoon. Nine colleges were entered, and eight sent competing teams. It was a great victory for the Normal, which kept a running grip on first place throughout the meet, finally nosing out the "Aggies" from the State Agricultural College, in the finish. This is the first time the Normal has won this event. Five years ago, when the intercollegiate meet was started, College of Emporia won, the next year the prize went to Fairmount, two successive years K. S. A. C. pulled the plume, and this year the lot fell to the Normal. The Aggies and the Normal fought for the premier position, and it was not until after the last event, the relay, that the winner was fairly decided. The Normal scored a total of 49 points, and K. S. A. C. 46, while the other schools finished as follows: Baker, third, 39 5-6 points; Fairmount, fourth, 12; Southwestern, fifth, 8; Washburn, sixth, 5½; College of Emporia, seventh, 4 2-3.

100-yard dash. Christian, K. S. A. C., first; Dickinson, Normal, second; Crane, College of Emporia, third; Dixon, K. S. A. C., fourth. Time 10 seconds.
