

The sixth annual track and field meet of the Kansas Intercollegiate Athletic Association, held yesterday in Emporia, was the most successful meet in the history of the organization. With a smiling sky and glad earth and the young corn-fed athletes at their best, it was not surprising that records in six of the fifteen events were smashed to flinders. Baker University, with a well-balanced squad, won first place with a total of 44 points. K. S. A. C. finished second with 34½ points, the Normal third with 29, Washburn fourth with 28, Fairmount fifth with 23, the College sixth with 4½, and Southwestern brought up a sad and bedraggled seventh with 2 points.
