

SPORTS EVENTS WASHED OUT BY HEAVY RAIN

Rain yesterday washed out practically all of today's scheduled sports cards.

Weather permitting, baseballers, pro and semipro, will try to cavort this afternoon but such activities as soccer, polo and auto racing at both Carrell Speedway and Culver City have been canceled.

In addition to the canceling of all local ball games yesterday, the Long Beach Relays and Orange Show Relays also were called off. The Long Beach meet was canceled for '52 while the Orange Show event was re-scheduled for April 1.
