

Smith so-so

17-0 at Irvine

By DAVE WIELENGA

Pole vaulter Steve Smith and shotgutter Al Feuerbach, both of the Pacific Coast Club, established meet records Saturday to highlight the 32nd annual Long Beach Relays at UC Irvine.

Smith, who owns the 18½ indoor mark of 16-½, cleared 27 feet easily to win the event from USC's Robert Pullard (16-8) and break the old record by a foot. However, he failed in three attempts at 17-8 ½.

"I haven't worked out in two weeks," shrugged Smith, "and I should have

used a taller pole. Anyway, there wasn't a lot to get psyched about."

Feuerbach won the shot by nearly 18 feet with a toss of 98-11½ and, although pleased, joined Smith in minimizing the importance of the meet.

"The reason I came down was mainly for a social gathering with the club and to get used to putting outdoors," he said, "but I'm really surprised with my performance because I trained right through."

Not all the entrants showed such passive interest.

"For the first meet I feel we showed very good promise," said USC coach Vern Wolfe. "Both high jumpers Jerry Calp and Dave Chappel were near seven feet and five of the quartermilers ran in the 40's."

Host Long Beach State also displayed outstanding potential finishing second to USC in the mile (13:27.5) and two-mile (27:47.6) relays while distance runner Ben Martinez took the same position in the open six-mile in 28:51.0.

"I'm extremely proud of our guys," said USC coach Jack Rose.

In the prep events, Poly enjoyed unmatched success winning relay in the 400, 800, mile, two-mile and distance medley. Milikan wasn't far off the pace, finishing in second spot in three of the events.

"This meet was the best we've ever had," exclaimed Rose, "and I can't wait until the day we can move it back to Long Beach. We have to have a new track put down first though... maybe next year."
