

St. Paul—Freshman dashman Jim Haas and sophomore hurdler Don Rubertus won individual MIAC champions here Saturday as they led St. Johns' university to third place behind St. Thomas and Macalester in the annual conference track meet.

As was expected, the well-balanced Toms won their third straight team championship handily with 64½ points. Runnerup Macalester scored 44 points, St. John's 27, Hamline 23, St. Olaf 22, Duluth Branch 11, Gustavus 9½ and Augsburg 9.

Haas, a short, knotty-legged speedster from Sleepy Eye, became the first St. Johns' trackman in three years to win an individual MIAC championship when he clicked off the 100-yard dash in :10.2.

Rubertus added another five points to the Johnny team score less than an hour later when he breezed through the 120-yard high hurdles in :15.4, winning by a full stride. Later in the afternoon he copped a second in the 220 low hurdles, losing out to St. Olaf's Chuck Anderson by a half stride.

Anderson also walked off with the broad jump on a leap of 21' 4½" to tie St. Thomas' Bert Budd for individual high point honors for the day. Budd stepped off both the mile and two-mile events in winning "mes.

Torrential rains just before the finals began, covered the track with as much as an inch and a half of water, ruling out the possibility of any new records. It was not uncommon for a runner to leave the track after a race completely spattered with mud.

Despite the poor track conditions, many of the times were quite good in comparison with past meets.

In the best race of the day, Hamline half-miler Kerwin Engelhart beat Jim Schirber of St. John's by an inch after Schirber had led by twenty-five yards for all but the last 90 yards. Schirber, apparently thinking he had won
