

Placing winners in the 880 and 220 dashes, St. Cloud Teachers college gained third place in the State Teachers conference track meet Saturday with 32 points behind Mankato's 95-point winners and Bemidji which scored 35½ points for runnerup honors.

Bernie Wesloh won the 220 yard dash in :23.6 despite the fact he bucked a head wind all the way while Dave Czech's winning time in the 880 was 2:06.7.

St. Cloud got off to a bad start with the drawing of lanes in the dashes and continued to run into difficulties throughout the afternoon when a runner got caught in his starting blocks and a hurdler dropped out of third place when the man running in the next lane kicked over a hurdle in his lane.

Mary Brown and John Weitzel showed good form in taking third and fourth in the broad jump, one of TC's strongest events all season.
