

MARSHALL — Dan Neubauer, Dave Renneisen and Dave Dirkes scored wins, but St. Cloud State University finished well behind perennial champion Moorhead State University in the Northern Intercollegiate Conference Outdoor Track and Field Championships at Southwest State University.

The Dragons, who won eight of the 19 events, accumulated 194 points en route to their seventh consecutive title. Mankato State University, plagued by a number of problems, finished second in the two-day weekend meet with 160 points. St. Cloud State wound up third in the nine-team field with 90 points.

Neubauer, a freshman from Bird Island, set a new SCSU record in the javelin, hurling the spear 202 feet, 11 inches. Renneisen, a senior from Minneapolis De LaSalle, won the 3,000-meter steeplechase in 9:09.2 and Dirkes, a sophomore from Albany, placed first in the shot put with a toss of 47 feet, 4 1/4 inches.

Mankato State, according to some analysts, was expected to end Moorhead State's domination of the meet, but the Mavericks, who defeated the Dragons in the NIC Indoor Championships, came up short in crucial areas.

The Mavericks' Scott Garrod, the state's No. 1-ranked intermediate hurdler, and Joe Kreutz, an All-American distance runner, were injured in Friday's competition and did not compete Saturday. Coupled with the absence of weightman Kelly Hand (who passed up the meet in favor of spring football drills) and sprinter-jumper Dave Myles (who was ruled scholastically ineligible), the Mavericks were truly hurting.

Moorhead State, scoring heavily in virtually every event, finished 1-2-3 in the discus. And, standing alone, that performance (worth 24 points) allowed it to finish ahead of Michigan Tech University (which totaled 15 points), University of Minnesota-Morris (6), University of Minnesota-Duluth (2) and Southwest State University (1).
