## Won the Big Six Field and Track Meet at Columbus.

SPECIAL DISPATCH TO THE ENQUIRER.

Columbus, Ohio, May 28.—Ohio State won the annual Big Six track meet here to-day in one of the closest contests that has ever been pulled off in Ohio. State finished with 49. Oberlin was next with 43. Reserve ran third with 39½. Wesleyan was fourth, totaling 28. Wooster finished last with 5½. Kenyon was entered, but they only took part in two events, and in neither of them were they able to score a point. Several Big Six records were broken. Portman, of Reserves, proved the best in record smashing, as he broke the hammer and shot put by some mighty fine heaving. His best work was done in the shot put. He threw the sixteen-pound load just three feet eight and one half inches ahead of the best previous record. Soon after his wonderful feat with the shot he started the hammer going, and when they measured the distance he was another record breaker, as the tape showed an improvement of two feet six and one half inches over Rube Shorey's throw in 1906. Kimball pole vaulted one half of an inch over the Big Six record. He went up in the air 10 feet 11½ inches. Sharon, for Ohio State, in the hundred-yard dash, equaled the record by getting over the cinder in 0:10 flat. Baker was another record breaker. He went the mile in 4:26, clipping just seven seconds off the best time. He led a great field of milers, and after the first lap was more than 70 yards to the front. Stauffer, of Wesleyan, was in the meet for a good purpose, and equaled the State record for the 440-yard dash. Barney was the winner in both hurdles. He ran them in easy fashion and led easily in both. Gray showed up well in the broad jump by taking it with 32 feet. The track was in great shape and the day was perfect. The largest crowd that ever attended a Big Six meet was well repaid for the few hours. The meet was started promptly at 1:30 and every event was finished at 5:30. This also broke another Big Six record.
