SALT LAKE CITY, May 25 — Champions again!—

Rolling up an overwhelming total of 66 1-3 points, the Brigham Young university track and field team won the track championship of the Rocky Mountain conference for the second successive year Saturday afternoon.

The Cougars of Coach G. Ott Romney piled up a total that was 10 5-6 points more than the second place team, the powerful Buffaloes of Colorado university. Colorado U. made 55½ points.

### All-Around Power—

Under a blazing sun that was a startling contrast to the sultry weather of Friday afternoon when the preliminaries were held, ace athletes of the Rockies shattered five records, including the long-standing two-mile mark that has remained invulnerable since 1926.

It was all-around power that gave the Cougars a victory. Counting nine points in the high and low hurdles, the "Y" team blazed through the afternoon with points in every event save the hammer and 220-yard dash.

Dale Schofield, ace Cougar hurdle athlete, won both the high and low event and tied the record that Allot of Colorado university made in 1927, when the speedy Buffalo ran the low obstacles in :23.5.

But it was not only the ability of Schofield and Pete Wilson in the hurdles that gave the Cougars their great victory. It was

seconds, thirds, fourth and fifth, piling up in almost every event.

LaMar Taylor, the slightly built distance man from Mexico, was in eighth place as the mile started. As the laps were reeled off he passed man after man. On the far turn, 300 yards from the finish, he began to pump those lithe legs of his in a rhythm that could not be matched by the talented group running against him. Taylor came in three yards to the good and passed Bierling, Denver's famed mile, on the near turn.

George Gourley did the expected in winning the pole vault, but did not equal his own record of 13 feet 2 7-8 inches. He was able to win with a leap of 12 feet 9 1/2 inches.

A surprise came when Mennell Taylor, red-thatched cousin of LaMar, came second in the half mile run, just ahead of his teammate. Taking the front at the outset of the race, Mennell stuck to his post and was only nosed out by the brilliant finish of Jack Frost, Denver.

Even more surprising were the defeats of Maurice Williams, Utah colored sprinter, in the 100-yard dash and the 220, and the defeat of Force of Colorado Mines in the two mile race. Williams, apparently off feed, was beaten by John "Applejack" Appleby of Colorado U. in the 100, and came second to Clyde Crosby of C. U. in the 220. The 100-yard time was 10 flat, 4-10 slower than Williams' best time. In the two mile, in which Ernest Dean of B. Y. U. led most of the way, Force suffered a cramp in his leg on the first lap, and saw Frosty Harvey of C. A. C. break the tape for a new record of 9:47.3 minutes, nearly 3 seconds better than Norton's old mark, made in 1926.

At the finish of the two-mile, Max Andrews, "Y", beat his teammate, Dean, to the tape by three yards in a fast finish.

Dale Schofield of B. Y. U. was the only man to win two first places, although Chet Cruikshank, with two seconds and a first, was high point man with 13 points. Schofield scored 12 points for second place.

The 440-yard run was a gem. Smith was leading on the far turn but Lyndon Dudley, Cougar captain, made a valiant sprint on the final straightaway. He finished a scant foot behind Smith.

Another feature was the mile relay. Greeley State was favored to win, but the Colorado University team was too strong. Chesney started out by getting a 10-yard lead on the first lap. Phillips poured it on in the second lap and the lead was 15 yards. On the third lap the lead was still 15 yards and the Utah sprinter, Williams, started to cut it down. Like a gray flash he cut around the turns and was only two yards behind but fell back at the finish, spent.
