

CEDAR CITY—Two Southern Utah State trackmen will compete in the 1978 NAIA National Track Meet Thursday through Saturday at Abilene, Texas.

Marc Broadway (triple jump) and Jim Kearns (steeplechase) have earned the right to compete at the three-day event.

Broadway qualified with a leap of 48-3 at the Las Vegas Quadrangular. Kearns ran a 9:30 in the steeplechase at the SUSC invitational to earn his way.

This is the second time Kearns has qualified for the Nationals. Last season he placed 10th with a time of 9:22.0. Kearns also won the Rocky Mountain Athletic Conference last year but didn't get a chance this year because the RMAC meet was snowed out.

Broadway set an SUSC school record with his qualifying leap.
