

Caltech Spikers Win Team Title in Fresno Relays

BY JOHN DE LA VEGA

FRESNO, May 19.—Caltech's upstart tracksters captured team honors in the 15th annual West Coast Relays here tonight by coming through in one of the closest meets of the traditional series.

The Engineers won the mile relay to wind up with 40 points. Second place went to the Olympic Club with 38, while California nipped S.C. for third, 32 1/2 to 32; U.C.L.A. was fifth at 25.

The four principals went into the final event, the mile relay, the Olympic Club ahead with 31 markers, S.C. and Caltech were tied for second at 30 and California fourth at 28 1/2. But the Winged O didn't have an entry in the finale.

The junior college-civilian college division also came down to the wire, Fresno State winning with 55 1/2 points to Los Angeles City College's 49.

Came From Behind

Although Caltech trailed throughout most of the meet, they were always in contention as first California, then S.C. and later Olympic Club surged ahead.

But once the mile relay got under way there was little doubt as to the winner. U.C.L.A. pressed the Engineers' squad of Bill Frady, Roger Clapp, Stuart Bates and Ken Shauer all the way but that only made 'em run faster. Shauer finally hit the tape with 10 yards to spare but a second spot would have sufficed.

Just as expected, California's distance medley quartet of Bill Hayne, Terry Ring, Tom Hartzell and Mac Elliott rolled up an easy win with Caltech's foursome of Bates, Clark, Howe and Gill finishing second, 45 yards behind. U.C.L.A. edged S.C. for the third spot.
