

DURHAM, N.H. — Connecticut dethroned Massachusetts as Yankee Conference track and field champion Saturday by routing the opposition enroute to a possible record total of 109 points. The Redmen were a distant second with 58 points.

Two UConns, John Vitale and Craig Conner, set conference records in the triumph. Vitale clicked off a 9:10.5 two-mile run to lower the mark held by Charles Lang of UMass at 9:13.0. And Conner set both a conference and UConn shot put record with a heave of 54 feet, 8 inches. Jennings of Rhode Island had the old mark at 53 feet, 4 inches.

Conner of Connecticut and Jerry Spellman of Massachusetts were the only double winners in the meet held at the University of New Hampshire.
