

DURHAM, N.H. — Winning nine first places while finishing no worse than fourth in any event, Connecticut broke its own record for the number of points scored while running away from the field in the Yankee Conference indoor track championships here Saturday. The Huskies better than doubled runner-up Boston University's score 96 to 46½.

Defending champion Massachusetts placed fifth with 33 points and was followed by Maine 12, Rhode Island 7½, Vermont 7 and New Hampshire 6. The winning total for UConn broke its previous record total of 74 set in 1971.

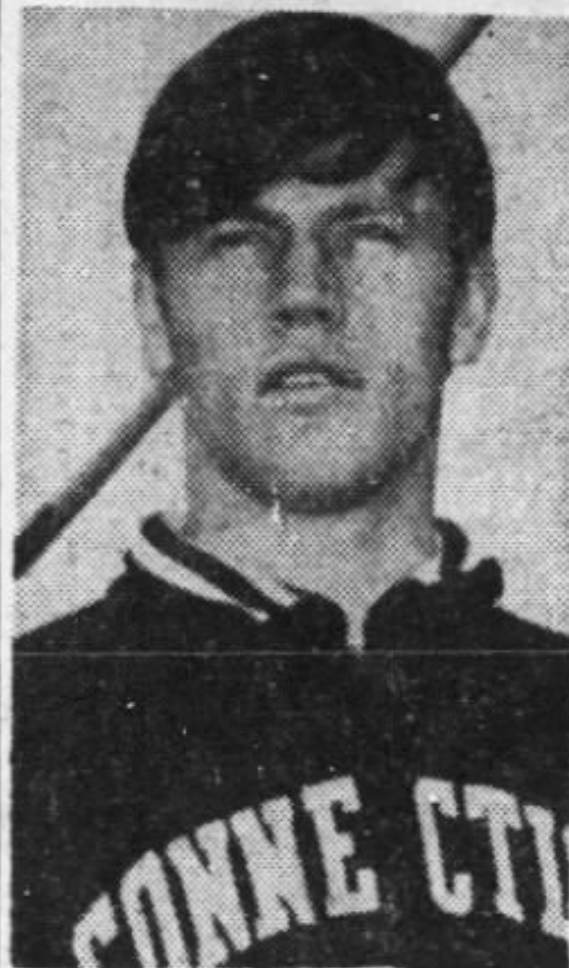

Ron Evans amassed 24 points while competing in five events, scoring three first — in the shot, high jump and pole vault — while adding thirds, in the 35-lb. weight and long jump.

Bill Cantin of Enfield added two more firsts to the Husky total, winning the mile and two-

mile races; while BU's Ford Dennis was the day's only other double winner, capturing the dash and long jump events.
